

LiveSmart Community Heroes

Buddy Boyd Gibsons Recycling Depot

Buddy Boyd started the only 100% privately owned recycling depot on the Sunshine Coast 5 years ago. Barb Hetherington runs the depot and also teaches recycling classes. We have diverted over 6,000,000 lbs of recyclables, 100,000 lbs of electronic waste (e-waste) and 30,000 cubic feet of Styrofoam in a sustainable way from our landfill.

Nominate a LiveSmart community hero.

If you know of an outstanding individual, group or association who is contributing to a sustainable future in your community, then nominate them today as a Community Hero! Please submit their name, address, phone number and email address to
